

D5000™

(Cholecalciferol)
Chewable Tablets

5000 IU

Sugar Free with Orange Flavor

COMPOSITION:

Each Chewable tablet Contains:
Vitamin D3 (U.S.P.).....5000 IU

DESCRIPTION:

D5000 is the unique formulation providing Vitamin-D3. Vitamin-D3, also termed cholecalciferol which is the naturally occurring form of Vitamin D.

It is produced from 7- dehydrocholesterol, a sterol present in mammalian skin, by ultraviolet irradiation.

It is involved in prevention and treatment of Vitamin D deficiencies.

USAGE:

Supports Bone Health: Vitamin D3 is a critical component of bone health. It promotes calcium absorption, which is essential for the mineralization of bones, and supports bone growth. A deficiency of Vitamin D3 can lead to weakened bones, including rickets in children and osteomalacia in adults. Vitamin D3, when combined with calcium, can help prevent osteoporosis in older individuals.

Supports Immune Health: Vitamin D3 is essential for maintaining good health as it plays a role in metabolic and immunological processes. It is a natural immune modulator that regulates calcium metabolism, cellular growth, and other immunological functions.

OTHER BENEFITS:

- Improve insulin resistance and promote insulin secretion
- Prevent inflammatory disease.
- Improve Brain Health

HOW TO TAKE D5000 CHEWABLE TABLET:

It is recommended to take 1-2 tablet once a day or as prescribed by the practitioner.

CONTRAINDICATION:

Vitamin D should not be given to patients with hypercalcemia or evidence of Vitamin D toxicity, Use of Vitamin D in patients with known hypersensitivity to vitamin D (or drugs with same class) or any of the inactive ingredient is contraindicated.

PREGNANCY AND LACTATION:

This medicinal product can be prescribed during pregnancy or lactation if necessary. However, it is preferable to consult your doctor before using this drug.

OVERDOSE:

If you (or someone else) accidentally take too many tablets, tell your doctor at once or contact the nearest accident and emergency department. Show any leftover medicines or the empty packet to the doctor.

SIDE EFFECTS:

No side effect reported.

INSTRUCTIONS:

Store in a dry place below 30°C.
Protect from heat, sunlight & moisture.
Keep out of the reach of children.
